

Architecture and Construction, Transportation, Distribution and Logistics

Career Opportunities: Non-stop interaction with the world around you!

Being led by innovative technology, jobs in architecture and construction—two of the largest industries in the world—are only expected to rise. The results of their work can be seen all over the world. The Empire State Building, the White House, your home and local grocery store, and all the roads between them are just a few of the projects made possible with industries like architecture, construction, transportation, distribution, and logistics.

Check to see if your school offers any of these classes...

Freshmen	Sophomores	Juniors	Seniors
Technology Systems—Modular Computer Lab Constructions Systems Interior Design Landscape Design	Introduction to Transportation Careers Communication Applications/ Marketing Yourself Introduction to Construction Careers Manufacturing Systems	Automotive Technician I Auto Collision Repair and Refinishing I Introduction to Precision Metals Architectural Graphics Building Trades I Mill and Cabinetmaking Electrical Trades I Heating, Ventilation, Air Conditioning and Refrigeration I	Automotive Technician II Auto Collision Repair and Refinishing II Business Ownership/Business Management Building Trades II Mill and Cabinetmaking Electrical Trades II Heating, Ventilation, Air Conditioning and Refrigeration II

Don't forget to ask about dual credit classes!

The Next Step

Regional training available in your area!

Cisco Junior College	Western Texas College	Texas State Technical College	Texas State Technical College	Ranger College
Automotive Technology (AAS) (C- I, II)	Golf and Landscape Technology (AAS)	Construction Management Technology (C) (AAS)	Applied Engineering Technology (AAS)	Welding (C)
Industrial Technology (AAS) (C- I, II)	Golf and Grounds Technician (C)	Framing Carpenter (C)	Welding Technology (C)	Welding (AAS)
Refrigeration and A/C (C- II)	Welding (C I, II)	Computer Aided Drafting and Design (AAS)	Wind Energy Technician (AAS) (C- I, II)	
Welding (C- II)		Architectural Drafting Cert I (AAS)	Aviation Maintenance Technology (AAS) (C)	
		CAD Technician (C)	Diesel Technology (AAS) (C)	
		Civil Drafting Cert I (C)	Automotive Technology (AAS) (C)	
		Mechanical/Machine Drafting Cert I (C)	Basic Collision Repair Apprentice (C)	
			Collision Repair and Refinishing Technician (C)	

(AAS) Associate of Applied Science
(C) Certificate of Completion

Welcome to your job!

Choose the path that is best for you.

Entry-Level Careers—High School Diploma, On-the-Job Training, and/or Minimal Experience

Landscape Worker \$16,764	Carpenter..... \$32,771	Computer Repairer\$26,290
Machinist..... \$29,070	Motorcycle Mechanic..... \$24,423	Engineering Aide\$31,952
Cabinetmaker \$26,377	Construction Laborer.....\$20,425	Roofer.....\$25,482

Technical and Skilled Careers—Community College, Associate's Degree, Apprenticeship, and/or Technical Training

Auto Mechanic..... \$30,929	HVAC Mechanic \$33,513	Electrical Technician.....\$32,873
CAD Drafter \$35,028	Construction Inspector..... \$43,070	Aircraft Technician\$43,620
Electrician \$34,780	Mechanical Drafter \$31,735	Welder \$29,730

Professional Careers—Colleges or Universities, Four-Year Degree or More

Architect (Beginning)..... \$31,615	Civil Engineer \$59,950	Construction Planner\$49,698
Automobile Estimator..... \$32,861	Electrical Engineer..... \$60,840	Landscape Architect\$33,875
Building Inspector \$42,528	Manufacturing Engineer..... \$49,452	Plant Manager\$71,210

Regional Employers

How to find possible employment opportunities on the web:

Go to: www.texasindustryprofiles.com

- Under the tab, *Workforce Supply*, Click *Employer Contact Information*
- In the red box at the bottom of the page, click *Agree*
- From the drop down box in the *Select One Region* rectangle, select *West Central*, and then select *Continue*
- Scroll down to the *Industry Cluster* rectangle, and select *Heavy and Special Trade Construction* from the drop down menu (may also search cluster named *Distribution, Transportation, and Logistics*)
- The next page provides you with a 6-step process for searching employers by various categories
- Once each step has been filled, click the button entitled, *Find Employers for Selected NAICS*
- Click the blue link labeled, *View Employers*
- Check out a list of employers, their addresses, phone numbers, sales figures, and number of employees

Want More? Check out these websites for more information.

www.texasindustryprofiles.com/apps/win

Information on occupations, salaries, etc, in various industries across the state.

www.texasworkforce.org

Great starting place for employees and employers to meet! A good place to find state news and many occupational links.

www.workintexas.com

Site that allows both employers and job-seekers to register a profile in efforts to create matches that lead to jobs.

www.socrates.cdr.state.tx.us

Provides occupational profiles (regional salaries, training required, etc.) and occupational wage projections.
